Proposal Background

Training course in *Track Machine Operator* which has been approved and is to the standard acceptable by the NSW Rail Safety Regulator and contains procedures for safety, which are recognised by Rail Infrastructure Corporation.

Southern Cross Rail Training is a registered training organisation providing rail specific training, which is accredited by Rail Infrastructure Corporation and the NSW Rail Safety Regulator.

Southern Cross Rail Training will provide a delivery strategy that will ensure active interaction to motivate learning. Our fully accredited trainer will conduct this training at our training centre at Chullora or on site, in suitable venues, at locations required by the client. The safety aspects will be covered in both theory and in practical demonstration. Participants will be required to pass theory and practical assessments to achieve competency. Once this training has been completed, and payment made, Southern Cross Rail Training P/L will provide the necessary documentation and issue of Certificates of Competency.

Requirements: Must be currently qualified in Rail Industry Safety Induction (RISI).

*** Student must bring and wear safety boots during practical assessments.**

Photo ID: Please provide ID on day of training.

Course Fees:

Track Machine Operator \$209 per person

Date: Wednesday, Sign on 7:45am and course commences at 8:00am.

- **Please attend on time as there will be no admittance to classroom after 8:00am**

Venue: SCRT-Training Room, Level 1, Unit 7/4 Brunner Rd, Chullora NSW 2190.

Parking: Parking to right Brunner Rd entrance and at Council Carpark Crn Anzac St & Brunner Rd Chullora, spaces are available all day and free parking. Please do not block any vehicles exit or park in no parking zones.

Looking forward to providing the training you requested.
